Sew, What's New at the Shop?

Row, row, Row by Row

This year is

"Home Sweet Home"

Stop in during summer trips

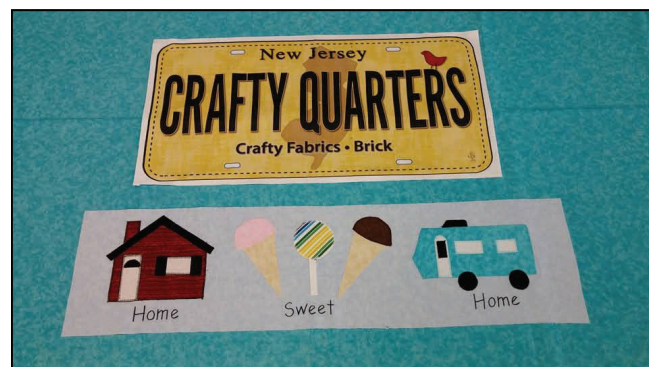

As you roam and roam.

Beachy Bobbin is ready and eager to welcome you to the 2016 Row by Row Experience! This year's theme is "Home Sweet Home", and you can purchase the winning row and license plate from our spring challenge any time from June 21 through September 6. It was a tough decision but we could only select one of each. Many thanks to all who submitted their ideas for our slogan

and row. They were "sew" creative! These are the winners!

We look forward to welcoming back old friends, and meeting new ones during this summer's Experience! Our display is ready and

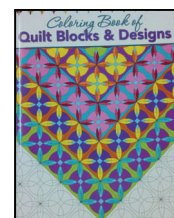

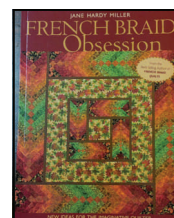

waiting for you! We have the official fabrics for you to purchase and enjoy, too.

With summertime in full swing we have new books and patterns for you to enjoy. Watermelons and sunflowers are blossoming that would make great runners and placemats for the patio table. Creating your dream summer cottage at the beach will be easy with a beautiful blue sky, lovely seashells, and cobblestone/brick walkway. Getting ready for Independence Day? We have patriotic stars that are perfect for the occasion! Cute little owls have come in that will happily dance across any quilt you have in mind. We have a panel

a tropical oasis in your own home.

No time to actually sit and sew while on your family vacation? Try coloring a quilt instead! Or peruse through these new books to entice your imagination for stitching when you return home. *A Cut Above* and *French Braid Quilts* are packed with great ideas for using strips and pre-cuts, and you'll definitely want to buy a big box of crayons for your new *Coloring Book of Quilt Blocks and Designs*!

with a blue angel fish (think Dory) swimming with other realistic looking sea friends that will help create

This year we celebrate **14** years in our shop! Join us for our annual **Anniversary Sale, August 2–6.**

Our next issue of *The Fat Quarterly* will be ready for September. Till then, we'll look forward to seeing you in the shop. Happy Rowing and happy sewing!
