Sew, What's New at the Shop?

Leaves are changing, the weather is cooling, school buses are on the road, and pumpkin spice is everywhere. It can only mean that **FALL** has arrived! And that means new classes, fabrics, and quilting fun to get you through the season and beyond!

Row by Row *On the Go!* patterns and kits have gone into hibernation until Nov. 1, but we're enjoying the lovely work of Barbara D'Ippolito of Toms River, who was our store winner this summer! She collected her prize of 25 fat quarters and a special mug for using our row in her quilt. She also included the row from Quilting Possibilities (in NJ) and 6 from

Colorado. This picture does not do her work justice. Stop by the store to see her beautiful quilt in person! Well done, Barbara, and congratulations!

Maria Sendzik is at it again! Her classes continue to be the place to be for easy and quick quilts that are perfect for you (or for upcoming holiday gifts!), and she'll be sharing her expertise with two *Quilt In A Day* patterns from Eleanor Burns. **Speedy Delivery** is a charm square friendly pattern that will be beautiful in any fabrics, but in case you need help in making your choices, we have pre-cut charm square kits available for

the class. This class is on September 30. Maria's next class is October 28, and is the **4" Trimmed Star**. For this one you'll need to purchase one of Eleanor's simple-to-use rulers with the pattern included as a bonus. The timing of this class is perfect for Halloween if you sew quickly or for winter holidays if you prefer a more leisurely pace. Be prepared to enjoy some of Maria's delicious desserts at each class!

You might want to consider some of these new fabrics for that winter holiday **Star!** Soft reds, greens, and neutrals with a winter and/or holiday theme would work so well in this pattern, or any other pattern you choose. A nice way to stay cozy when the cold weather comes.

Also new for fabric is a cheerful fall panel of sunflowers and pumpkins. Various pieces of different sizes

will make those fall projects a breeze to complete and enjoy before winter arrives. Feel free to stop in to view the entire panel. It's stunning!

ICYMI (In Case You Missed It): we have a store page on Facebook! Be sure to check

it out as we regularly post updates on fabrics, classes, and store happenings. You can comment and post your sewing and quilting projects to share with our customers and show off what you're working on! Such fun to share finished class projects!

Sewing Saturdays continue to be a success, and we always welcome new friends to join us!

The next issue of *The Fat Quarterly* will be ready for January. Till then, we'll look forward to seeing you in the shop. We wish our customers and families a festive holiday season! Happy sewing!
