Sew, What's New at the Shop?

Welcome Summer!! We're all looking forward to "fun in the sun" and "fun in the shop", too!

We have arranged for Benartex' **Fossil Fern** batiks to arrive at our store with 5 new fabrics coming each month. These fabrics make perfect blenders for any of your favorite quilt patterns, big or small. The colors range from pastels through brights and deep saturations and are simply gorgeous! These pictures show just a sample of what will be available. We already have some yardage in the shop for you to browse

through and enjoy.

Maria Sendzik has produced another beautiful sample for her upcoming class on Aug. 10, 11am-3pm. Project is yet to be determined but as a possibility we selected the pattern *Showering Stars*. While the pattern shows a dark background, Maria's sample shows how beautiful this would be on a lighter one. Be sure to check

our **Facebook** page for updates on this class. Remember to be ready for one of Maria's traditional yummy deserts to enjoy while you sew!

Our anniversary sale will celebrate our 17th year! Come join us for **20% off any purchase August**

1-3! We look forward to sharing our special week with you!

Summer is the traditional time for going on vacation, but it's not the only time for enjoying some "R and R". How does a quilting cruise to the sunny Caribbean in cold January sound? It's rare that a

cruise leaves port from New Jersey, and I'm happily taking advantage of the opportunity. The cruise boasts these three wonderful teachers with 5 days of quilting at sea, including access to the sewing

room that is open 24 hours for whenever you need to work on your project, plus stops at 5 ports

in the southern Caribbean. At St. Kitts I'm going to tour the batik factory and cannot

wait to make a batik sample of my own! There are lots of exciting perks and goodies offered on this trip, including door prizes, souvenir t-shirts, and the use of a Bernina 3 sewing machine to create your new quilt. Spaces are going fast and I'd love to have some Crafty Fabric friends along with me to share in the fun and experience. We wish everyone a happy and safe Independence Day! Our next issue of *The Fat Quarterly* will be ready for October. Till then, we'll

look forward to seeing you in the shop. Happy sewing!
