## Sew, What's New at the Shop?

Welcome Summer and welcome back! I hope this newsletter finds all my customers and friends healthy and well. It's been a long time waiting but we are happy to announce we're open for business, albeit following state guidelines.

Please remember to wear a mask when you come to the store.

We've been busy getting ready for you with new fabrics, patterns, and notions. Featherweight and Pattern-Ease interfacings are back in stock. We have new rulers, in-

cluding *Twister* and *Stripology Squared*, the latter of which is great for cutting and measuring strip sets quickly. We have new rotary cutters and blades, too, to replace the ones worn out from all the pandemic projects we've worked on.

Since your fabric stash is probably depleted by now and you've missed "petting" the fabric, now is a great time to come in and see the new arrivals. Jersey suedes have been replenished in a variety

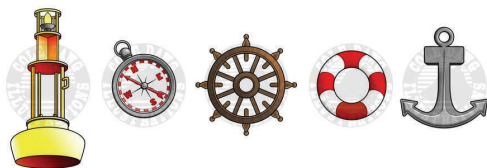

of colors: grays, blues, peach, and green. A large flag print is in just in time for

a wonderful Fourth of July quilt! It would make a great *Stack-and-Whack* project or can be used with

the smaller patriotic star prints that are also new. Several jelly rolls and layer cakes in a rainbow of colors are waiting for you to include them in one of our new patterns. Come in and pick a yard each of three of your favorite fabrics (or choose one of our pre-coordinated kits) and a quick **Fabric Café 3 Yard Quilts** pattern or book to create a new lap-size quilt that will help warm up those sometimes chilly summer evenings.

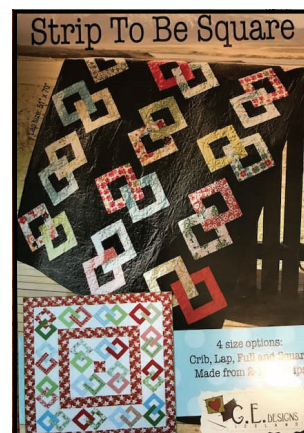

Ahoy, mates! New nauticalals are in to celebrate life at the Jersey shore.

Ships' wheels, sailboats, and anchors are just a small example of what we have. There's a treasure map to go with the rest of the selections. Perfect for a summer project!

We are slowly beginning to add classes to our calendar. Maria Sendzik is back with us to get the ball rolling with **Basketweave**, from our new **More Jelly Roll**

**Quilts** by *Annie's Quilting*. Cleverly placed squares and rectangles combine to create the pattern, and will delight you as the weave develops. This class is scheduled for Saturday, June 27. July 18 will see

Maria perform her usual magic with the pattern **Strip To Be Square**. A fun chain link that may look complicated is deceptively simple to make. There are

several sizes and layouts to select from and our new jelly rolls or layer cakes will be perfect in this project! Both classes run from 11 to 3, and are \$35 each, plus supplies. Be sure to bring a lunch, and save room for one of Maria's famously delicious deserts! Please be advised we will be wearing our masks during the classes.

Our next issue of *The Fat Quarterly* will be ready for October. Till then we'll look forward to seeing you in the shop. Happy sewing!
