Sew, What's New at the Shop?

After a stormy and cold winter it's so nice to have warm breezes in the air and buds starting to open in the trees and in the ground. Spring is blooming in our store, too, with new books, fabrics and pre-cuts for all your new projects to celebrate the new season.

Soon to arrive in the shop are two new pattern books from Fabric Café, ***Quilts In A Jiffy***, and ***Fat Quarter Quilting Fun***. Each book has quick, easy, and fun quilts to sew with directions for enlarging your creations to lap, twin, or queen/king size to fit your specific needs.

Our upcoming class will take advantage of the Fabric Café with ***Garden Path***, another wonderful quilt from their book, ***Fast and Fun 3 Yard Quilts***.

Following simple directions and using only 3 fabrics you'll be able to complete this fun project quickly and easily.

The class is scheduled for April 17, 11:00-3:00, \$35 plus fabrics and book. Be sure to stop in to see this sample in person.

In stock we have a nice selection of pre-cuts that will make your spring quilts sing. We have new jelly rolls, strip sets, and layer cakes to whet your sewing appetite! Lovely jewel tones, soft neutrals, bright batiks, sewing themed novelties, and butterflies
