Sew, What's New at the Shop?

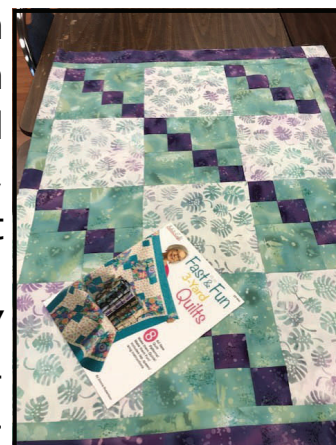

Bright sunshine, warm breezes, and longer hours of daylight have arrived to announce another summertime, and this one so much better than last year's! We're ready to get going on some fun projects with new fabrics and ideas for you to enjoy.

Our shelves are bursting with new additions to get you started on your next quilt. Celebrate the Fourth and have a happy Independence Day with red, white, and blue stars that are perfect for the holiday.

When the barbeques, picnics, and fireworks are over plan to join us on Saturday, July 10, for Maria Sendzik's next class. She will be teaching **City Lights** from the book **Fabric Café Fast and Fun**. Maria's sample in the shop is sewn up from soft and breezy batiks, perfect for a quilt at the Shore. "Fast and Fun" definitely describes this pattern, and Maria's expert hints and help will have you ready to finish yours in no time. Class is 11:00-3:00; fabric and book purchase required. Remember to bring a lunch and be ready to indulge in one of Maria's famously delicious desserts! Stop by to see the sample and plan your own quilt!

Our Fossil Fern Collection is finally complete, and the colors are simply spectacular. Every color of the rainbow is here! These images do not do the fabrics justice. Some of our colors have already sold out, and when this inventory is gone, it's gone. Be sure to stop by to see this lovely grouping, and to purchase what you like before it disappears.

Who can believe it!? This is our 19th year at Crafty Fabrics! Come join us as we celebrate our "last year as a teenager" with **20% off any purchase, August 2-7**. Take advantage and stock up on your pattern, ruler, pre-cuts, and fabric yardage needs. We have everything you need to complete your next project, including new colors of 108" wide backings. No need to piece your backs with scraps when you see this lovely selection of new colors to choose from!

Christmas fabrics have started to arrive, and even though the thermometer is rising, it's never too early to plan and think about those hand-made gifts!

Our next issue of *The Fat Quarterly* will be ready for October. Till then we'll look forward to seeing you in the shop. Remember to visit us on Facebook and at our website. Happy sewing!
