Sew, What's New at the Shop?

It's hard to believe that the end of 2021 is just around the corner! It's time to enjoy the cooler weather and beautiful colors of Mother Nature's palette, trade in that tall glass of iced tea for a lovely pot of hot tea, and settle in for a season full of quilting fun that will get you ready for the upcoming holidays.

If you have been keeping up with us on Facebook you already know that we have new fabrics arriving steadily, and they include not only yardage but pre-cuts as well. Before you know it Christmas will be here, and we just got in a lovely layer cake of non-

traditional colors of gray, cream and red that work beautifully in a pattern of cardinals and holly leaves. Strip sets of 40 pieces in a bright or muted color selection will work perfectly in a jelly roll pattern, such as **Santa's Socks**. This beginner-friendly pattern will have your mantle or staircase decked out with a stocking for all your family members in no time!

And if you can't wait for winter to be over or want to get a big head start

on your spring projects, a layer cake or strip set of *Daisy Delights* in pastel yellows, blues, and greens paired with striking blacks will fit the bill and have you dreaming of warmer days ahead.

Other new fabrics that are waiting for you include yardage of a bright copper solid, vintage style poinsettias, pine, and holly branches, and a romantic large print of red and pink roses, perfect for a *Stack and Whack* quilt.

All new quilts need a backing, and it is so easy to cut it all in one piece rather than having to figure out how to piece leftover scraps together. We have new 108" , 3-yard cuts all ready for you to take home and lay out that new quilt on. Marbled swirls or soft mottles colors are ready to go and will be there for you when that top is ready for the quilting.

Our favorite *Stack and Whack* lady, Maria Sendzik, is teaching her next class on October 16. Due to Covid restrictions and social

distancing, we have a maximum of 6 students, and this class is sold out. We have future classes by Maria scheduled for November 13 and December 4, with the pattern and project still to be determined. Maria's classes are always a hit (as are her yummy desserts!) so if you want to join us you'll need to sign up quickly. Feel free to call the store for specific details on each class as the dates get closer. Please be advised that masks are optional for all classes.

The Fabric Café ladies of the **3 Yard Quilts** have done it again

with a brand new book and patterns to quickly fill your holiday gifting needs.

Our next issue of *The Fat Quarterly* will be ready in January. Till then, all my best wishes to all our customers and their families for healthy and happy holidays! We'll look forward to seeing you in the shop. Happy sewing!
