### Sew, What's New at the Shop?

Welcome, 2024! We hope this new year brings lots of good things to all our customers and their families! We're ready to celebrate with some new classes and ideas for fun and lovely sewing and quilting all year round!

We're kicking off January with another quick and easy (and of course, beautiful!) class led by Maria Sendzik. This will be the first of two classes Maria will be teaching from a new book, *Quick As A Wink 3-Yard Quilts*, by Donna Robertson. We'll be sewing *Entwined*, an optical illusion of carefully placed colors that is

deceptively easy to put together. This class runs January 13, 11:00-3:00, and is \$35, plus fabric and book. The book will be used for Maria's second scheduled class on February 17. For this class Maria will be teaching us how to sew *RickRack*, another easy and fun pattern that actually looks like its title. Fee and time are the same for both classes. Bring a lunch but save room for Maria's famously delicious desserts!

For something a little different, Chiara and Rosemary will be teaching us how to make an always welcome wallet from just two fat quarters. Inside boasts plenty of pockets for all your cards and identification needs! All supplies, including the magnetic clasp and zipper, are available at the shop.

The class is \$20, plus supplies. Because of the popular demand for this class we will have two sessions, one during the week, and another on Saturday. Dates to be determined. Call the shop for further information.

Special days we'll be celebrating this quarter are **Support Your Local Quilt Shop Day**, and **National Quilting Day**. The first of these is Saturday, January 27. We always appreciate your patronage every time we see you, and especially on this day.

Saturday, January 27. We always appreciate your patronage every time we see you, and especially on this day.

cially on this day. **National and Worldwide Quilting Day** is Saturday, March 16. We have some fun activities planned for the special day (including another new class taught by Maria Sendzik, details to be announced soon!) so be sure to join us as we celebrate our hobby together!

If you are in the market for a gently used "new" sewing machine this

year, I am selling my Elna Excellence 680. It is at the shop for those who are interested. All accessories and manual are included.

Our next issue of The Fat Quarterly will be ready for April. Till then, we'll look forward to seeing you in the shop. Happy sewing!
