Sew, What's New at the Shop?

HAPPY NEW YEAR

Welcome, 2013!

We survived Superstorm Sandy and the Mayan "end of the world", and we're now ready to invite you to join us as we embark on a new year with some new quilting and crafting adventures.

To begin our journey, we're offering the opportunity to try out new techniques or re-fresh your memory of "how to" for some methods that you haven't done for a while. Foundation

and/or paper piecing tops our list of "must-try"s and "want to re-member"s this winter.

Do you have stashed away a selection of fabrics that have been waiting to be cut into squares or rectangles for your NYB (Not Yet Begun) quilt? Have you been curi-

ous to try out the *accuquilt* cutting machine? Let us satisfy both needs. We have the cutter in the store, with various size dies for squares, rectangles, and half-square triangles. These will make those NYB fabrics ready for that next quilt in no time! You may even find you have time to stay and start working on your new

project once the hardest part of cutting is done!

Come join our own sewing circle, and make the old new again. Visit our library of vintage books, patterns, and magazines, and recall those fun days by selecting a “new” project to work on with us. This is a great opportunity to create some gifts for family and friends and give you a great head start on them. You can also create a new project for your home or office. Lots of ideas to choose from!

Once you have your next project planned, think of how beautiful (and modern) it would look in some gorgeous batiks! We have brand new fabrics in every color of the rainbow to select from. Tropical, bright, pastel, tonal or subtle, there is

something for everyone’s taste. Stop by to see what’s new!

NATIONAL QUILTING DAY IS MARCH 16!

We’ll be celebrating with a day of fun, refreshments, and surprises! This is a great day to celebrate the hobby we all enjoy and love so much!

GOT QUESTIONS? There is always someone at the store to help you out and guide you on your way to continue with your sewing and quilting projects.

GOT IDEAS? Let us know if there is anything special you would like to do as a project or class. We welcome your suggestions!

Our next issue of *The Fat Quarterly* will be ready for April. Till then, we’ll look forward to seeing you in the shop. Happy sewing!
