Sew, What's New at the Shop?

**Happy
New Year!**

Wishing all our friends, family, and customers a very happy and healthy New Year! Welcome to 2017!

Now that the fun and celebrations of the holiday season are over, the kids are back in school (or at their own house!), and peace and quiet have been restored, it's time to settle in with a hot cup of tea or cocoa and begin to plan your quilting projects for the upcoming year. We're happy to get you

started with another fabulous class by Maria Sendzik on January 21. This time Maria will be helping you create Eleanor Burns' *Quilt In a Day Delectable Mountains*. This quilt can be made with scraps for a colorful look, or with just 2 fabrics for a more controlled palette. The pattern may look complex, but between Eleanor's simple directions and Maria's calming guidance you'll have a beautiful quilt top done in no time! The cost of the class is \$45 and runs from 11-4. Remember to pack a lunch and be sure to save room for one of Maria's famous desserts!

Our former store long-arm is now happily enjoying her new home. Marcia will continue to use "Maggie" to work on customer quilts in her new space. Drop-offs and pick-ups will still be at our store. We have a new Handi-Quilter long-arm to replace Maggie, and I will be working on customer quilts as well. The 18" Tin Lizzy with its 10 foot frame is for sale. It has just been serviced and is now ready to go to a new home. The price is \$2000. Feel free to stop by the store for specific details.

It's never too early to start thinking about the next Row By Row Experience! This year's theme is *On the Go!* and

the fun will be starting before you know it! Since last year's customer contributions for ideas of row patterns and store license plate slogans was such a fun success, we're going to continue the tradition this year! Get your creativity flowing and share your

ideas for our store and help me to come up with a great one for each!

SAVE THE DATES! **VISIT YOUR LOCAL QUILT SHOP DAY is JANUARY 28; NATIONAL QUILTING DAY is MARCH 18!** As we've

done in the past, both days will be enjoyed with fun and friends. Plan to stay with us on National Quilting Day to take advantage of our special day sale and refreshments. Spread the joy by working with us to complete some charity quilts and pillow cases, too. We'll look forward to having you join us!

Our next issue of *The Fat Quarterly* will be ready for April. Till then, we'll look forward to seeing you in the shop. Happy sewing!
