## Sew, What's New at the Shop?

Spiced cider, hot tea, steaming coffee, hot cocoa, and fragrant soups are simmering on the stove. Leaves are being "painted" gold, orange, and red. Winds are cool and crisp. All are telling us that it's time to create some cozy quilts for ourselves...and for holiday gifts, too!

To get you started, Maria Sendzik will share her expertise and advice in three new classes. First up is **On the Fence**, a *Missouri Star Quilt* pattern. This class is Oct. 13. Easy strips go together with 4-patch units to create a lovely lap quilt. Maria's sample is hanging on display and will whet your imagination for the soon-to-be-here winter months. November 17 will have you making a **Quick Quarter Quilt** from one of our

favorites, Eleanor Burns. Similar to a bargello, this quilt is set on the diagonal and looks deceptively tricky, but with Maria's guidance you'll have your top finished in no time. Still need extra time to complete your projects? Maria will host a **UFO Day** just in time to finish your quilts before the holidays. Each class is \$35, with pattern (or book) and fabrics purchases, and run 11:00-3:00. Contact the shop for details.

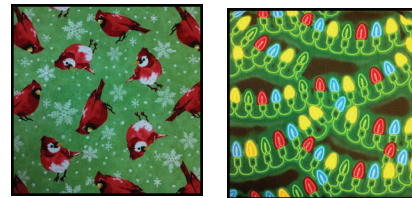

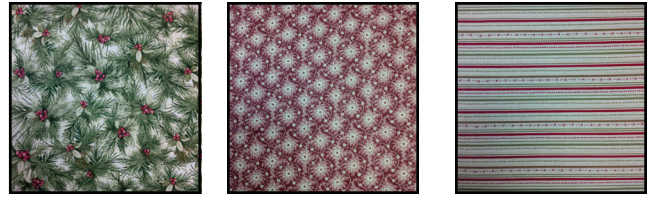

And Maria will treat you to some of her famous desserts while you sew!

If you need a quick and easy gift idea and can't join us for one of our classes why not try a 3-yards

quilt? *Fabric Café* has a great selection of patterns that are made from one yard each of three different fabrics, including the borders. Directions are easy to follow and will create a stunning quilt. This picture shows just a few of the patterns we have available. We have several kits already cut or select your own combinations from any of our fabrics. We have precut yards to browse as well.

home projects or holiday gifts.

We have some great sales coming up soon! Save the dates: **Black Friday** weekend: November 23rd and 24th, and **End of the Year**: December 26-29th. A great way to stock up on fabric for 2019!

New fabrics have begun arriving, with some fat quarter cuts of reproduction prints from the Civil War and 1930's. Also, on the bolt we have some winter and holiday fabrics that will warm your home and your heart. Subtle prints of pine needles and berries, tonal cranberry and cream, a soft stripe of sewing stitches, and some brightly colored cardinals and blinking holiday lights are waiting to be stitched into your winter

The next issue of *The Fat Quarterly* will be ready for January. Till then, we'll look forward to seeing you in the shop. Be sure to visit our [Facebook](#) page frequently for updates on classes and new arrivals. We wish our customers and families a festive holiday season! Happy sewing!
