Sew, What's New at the Shop?

After a crazy summer it's nice to enjoy Mother Nature's annual performance of her seasonal magic. With the arrival of the cool temperatures comes the gorgeous display of colors everywhere, including fabrics! We're ready to help you get your own colorful works of fabric art going with some new books, patterns, and classes that will put you in the mood for the upcoming colder weather and traditional holidays.

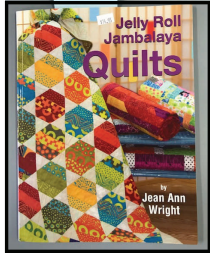

If jelly rolls are among one of your favorite snacks to enjoy with a cup of tea or coffee, you will love sewing

with fabric ones! Our new jelly rolls are bright, cheerful, and very inspiring in their possibilities for lovely quilts. We not only have the traditional rolls, but also Tonga Treats as well as other collections that will practically create the quilt for you with the wonderful fabric selections in each set. Pick a coordinating fabric for a background and/or border and you'll be all set to sew.

We have many fun books and patterns to enjoy the jelly rolls with, starting with Jean Ann Wright's *Jelly Roll Jambayala* book. Inside you'll find a wonderful array of patterns and ideas to

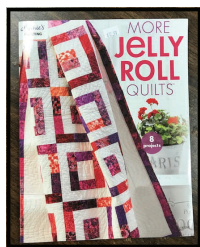

amaze you with just how versatile these strips of fabric can be! Our wonderful instructor Maria Sendzik will join us

for her next class with **Remoulade Stars** from this book. The class is scheduled for Oct. 24, 11:00-3:00. \$35 plus supplies will have you leaving with a fun quilt top in hand. Maria chose Halloween fabrics for her sample but any of our other fabrics will work nicely as well. Imagine how

pretty this pattern would be in autumn or Christmas colors! And of course be prepared for one of Maria's famously delicious desserts to enjoy!

Once you start using jelly roll strip sets, you'll find it's hard to stop at just one quilt. Annie's Quilting's More Jelly Roll Quilts will feed

your desire for more with beautiful and simple patterns. **Cozy Quilt Designs** has a nice group of strip-friendly patterns as well. A sample of what we have includes *Margarita Sunrise* and *Strip Tube Lattice*. Stop in to see what other fun patterns are available.

Our normal classes are continuing both during the day and also evening hours. We practice social distancing and masks are worn, as required by NJ. We're also looking for suggestions of future classes, so feel free to offer your ideas and desires.

Our next issue of *The Fat Quarterly* will be ready in January. Till

then, I send my best wishes to all our customers for healthy and happy holidays! We'll look forward to seeing you in the shop. Happy sewing!
