## Sew, What's New at the Shop?

**Good bye and good riddance to 2020!** May 2021 bring to all hope, good health, and only good things this year!

To get the new year started on the right foot, we're looking ahead to fun and happy holidays, with the hope that family and friends will be able to visit and enjoy the fruits of our quilt labors. Our good friend and teacher Maria Sendzik is ready to work her

magic and guide us through her first class of the new year. January 23 is the first class with **GE Designs Braid Runner**. If you're looking for a quick and easy "do-in-one-day" project, this one is it.

Starting with a focal fabric in the middle and adding strips outward to create a "braid" you will be sewing on the batting and backing fabric at the same time for a Quilt As You Go task. Simply add a binding and you're done! This table runner is perfect for showcasing your favorite colors, and works great for seasonal fabrics as well. Class is \$35.00 plus supplies, 11-3. Bring a

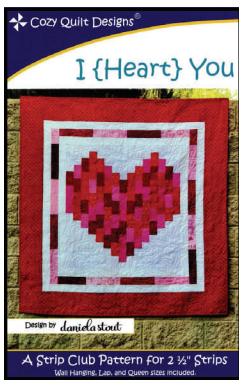

lunch but save room for Maria's famous desserts to enjoy as you sew.

If you have been following us on Facebook you've already seen that our collection of Fossil Fern fabrics keeps growing by the month. The colors are lovely and make great blenders and coordinates. We should have all 130 colors in a few months. Stop in to see what has already arrived!

New patterns for the fun winter holidays are here! Starting with Valentine's Day, **Cozy Quilt Designs** has a cute and cheery wall hanging called *I (Heart) You*. The heart is created with a simple strip set and the quilt pattern includes sizing for a lap or queen size as

well. St. Patrick's Day *Shamrocks* can be enjoyed with this **Shabby Fabrics** pattern for placemats or a table runner. Simple patchwork for the shamrocks makes this an especially pretty ensemble!

January 23 is **Support Your Local Quilt Shop Day**.

We certainly appreciate all your support! March 20 is **National Quilting Day**. Join us as we celebrate our favorite hobby with some fun and refreshments.

Our next issue of *The Fat Quarterly* will be ready for April. Till then, we'll look forward to seeing you in the shop. Happy sewing!
