Sew, What's New at the Shop?

Welcome, 2022! We hope this new year will be one filled with good health and happiness to all our customers! We're looking forward to starting 2022 with fresh ideas in new classes, new products, and new ways to enjoy our favorite hobby.

To get us started, **Support Your Local Quilt Shop Day** is January 22. To mark the special day we will be having an "after-inventory" sale. Stop in to see what is available to fill

and refresh your stash and sewing room needs.

Maria Sendzic is starting her new year with two easy-to-follow **GE Designs** classes. Gudrun's patterns are a quick and fun way to get (re)acquainted with using precuts such as strip sets, jelly rolls, or layer cakes. The first class

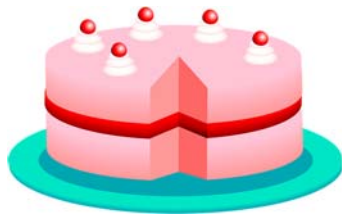

will be on January 29; the pattern is **Taylor**. This modern design will look beautiful in your favorite color combination. You can use fat quarters or 10" squares

with 1-1/2" and 2-1/2" strips. February 19 will have Maria teaching us the pattern **Lexie**. The three-dimensional illusion of this pattern is created by careful

placement of the different colors and values in the fabrics you choose. Both patterns have various sizes to select from to make the quilt that will best suit your needs. Feel free to bring a lunch with

you but you might want to leave dessert at home. Maria will be

treating us to one of her usual delicious offerings! We have another class scheduled for March 19, with the pattern to be determined. If you have any suggestions or requests please feel free to share! All Saturday classes are 11:00-3:00. Fee is \$35, plus the pattern and supplies.

We have a limited supply of *Creative Grid Scrap Crazy* cutting templates in stock in both the 6" and 8" size. These templates are great for quick and easy cutting of 6" strips or 10" layer cakes.

The mother and daughter team at ***Fabric Café*** have

done it again. Their 3-Yard quilts are now "***On the Double***". Eight new fun and beautiful quilts that are made from only 3 fabrics, one yard of each. The color combinations are endless and no matter what you choose, a lovely quilt is guaranteed.

Saturday, March 19 is **National Quilting Day.**

We promise a fun-filled day with the to-be-decided class by Maria and lots of delicious refreshments to enjoy as we sew.

Our next issue of *The Fat Quarterly* will be ready for April. Till then, we'll look forward to seeing you in the shop. Happy sewing!
