Sew, What's New at the Shop?

Welcome to a new year for wonderful sewing and quilting projects! New fabrics, patterns, sewing notions, and fun puzzles have arrived just in time for you to start planning your new sewing adventure. Here is what we have in store for the beginning of 2023.

To start with, Maria Sendzik is back and ready to help you create "Twinkles", from the Fabric Café's book, **Make It**

Christmas. This quilt will look great in any fabrics, as our sample shows. The

class is Saturday, January 14, \$35 plus book and supplies. Can't join us for this class? Maria will be back with us on Saturday, February 11, for another Fabric Café goodie. From their newest book, **The Magic of 3 Yard Quilts** comes "Delight". The book cover shows the quilt in blues, but it will look stunning in any color you choose. Class fee is \$35, plus book and supplies. Bring your appetite with you to each class to enjoy Maria's wonderful desserts.

Support Your Local Quilt Shop Day is Saturday, January 28. We

truly appreciate our customers and are thankful for your continued loyalty.

We have you covered for the upcoming holidays with lovely new fabrics for Valentine's Day, St. Patrick's Day, and Easter. Combined with our

other holiday fabrics you'll have your next projects done and ready for display

in no time.

Perhaps one of the new *GE Designs* patterns will be an inspiration...

Also new are important notions that will help streamline the fabric prep for your next quilt. A

great help for pressing flat seams and blocks, and new *Stripology*

rulers and *Square-it Up* rulers will keep those blocks accurate to guarantee a successful and beautiful quilt. And

we have new rotary blades to keep your cutter sharp, including a new Olfa Endurance blade that cuts twice as long.

For some quilters it's the putting together of the fabric pieces to create a puzzle of the finished blocks. For others, a real puzzle fits the bill.

If you fit into this group we have 6 new ones to pick from. Each puzzle is 500 or 1000 pieces and depict a wonderful quilting themed scene. These are fun, a bit challenging, and another way to celebrate our favorite hobby.

National and Worldwide Quilting Day is Saturday, March 18. We have some fun activities planned for the special day so be sure

to join us!

Our next issue of *The Fat Quarterly* will be ready for April. Till then, we'll look forward to seeing you in the shop. Happy sewing!
